Make your summer sizzle by joining our growing organizations and discover all the benefits of a large hospital system right here where you live and play. This is your chance to make a difference in the lives of your family, friends and neighbors.

Beverly Hospital is a full-service, 221-bed, community hospital. We provide quality, patient-centered care to North Shore and Cape Ann residents, including maternity, pediatrics, surgical, orthopedics, cardiology, and several other specialties.

Addison Gilbert Hospital is a full-service, 58-bed medical/surgical acute care facility that provides inpatient and outpatient care to residents of the Cape Ann community in specialties such as cancer care, surgical day care, critical care, and emergency medicine.

BayRidge Hospital provides accessible, high-quality substance abuse and mental health treatment. This psychiatric hospital offers a continuum of chemical dependency and psychiatric services on an inpatient, partial hospitalization and outpatient basis. Coordination of care between Beverly Hospital's psychiatric service, the Inland Unit, and BayRidge Hospital assures the provision of a range of acute inpatient services to individuals suffering from psychiatric disabilities.

Lahey Outpatient Center, Danvers offers a full range of primary care, diagnostic and imaging services, lab, specialty, and preventive care.
